

## **Song**

That's Amore  
Memories  
Sentimental Journey  
Que Sera Sera  
As Time Goes By  
Those Were the Days  
Let's Do It (Let's Fall in Love)  
Magic Moments  
When I Fall in Love  
Unforgettable  
Hey, Good Lookin'  
Isn't She Lovely  
Ain't She Sweet  
Going to the Chapel  
The Morning After  
I Got You Babe  
Daydream Believer  
I Think I Love You  
Remember When  
You're the Best Thing that Ever Happened to Me  
Crash Here Tonight  
Blue Skies  
All of Me  
Forever and For Always  
You're Still the One  
Through the Years  
Candle in the Wind  
Circle of Life  
Amazed  
You Needed Me  
Can't Smile Without You  
Let My Love Open the Door  
You Are The Best Thing  
Crash  
Hawaii Five-O  
With Arms Wide Open  
Love Can Build a Bridge  
My Little Girl  
In My Daughter's Eyes  
You Are the Sunshine of My Life  
I Can Love You Like That  
I Love the Way You Love Me  
Crash Here Tonight  
Will You Marry Me

You Raise Me Up  
The Way We Were  
A Moment Like This  
Have I Told You Lately  
Forever Young  
Memories Are Made of This  
Volare  
Wonderful Tonight  
This is the Time  
100 Years  
The Way You Look Tonight  
This I Swear  
You Are So Beautiful  
What a Wonderful World  
Love and Marriage  
Summer Wind  
My Way  
Moonlight Serenade  
Still Crazy after all these Years  
Your Smiley Face  
Everyday  
The Best Thing That Ever Happened to Me  
True Love  
We've Only Just Begun  
If I could  
When Somebody Loves You Back  
Now That I Found You  
Wind Beneath My Wings  
I Hope You Dance  
I Say a Little Prayer  
Somewhere Over the Rainbow  
Let Them Be Little  
Daddy's Hands  
Dream Big  
To Make You Feel My Love  
Wedding March  
Dying Young Theme  
Changes  
For Once in my Life  
Hold Me Now  
Sweet Dreams  
How Sweet It Is  
Forever and Ever, Amen  
With This Ring
